

# Lawrenceville Woman's Club November Newsletter

## **President's Report      Shelia Jones**

Welcome Fall --- It's that time of the year – cooler weather – yay. It's hard to believe but, the year is winding down --- Thanks to the CSP's and helpers for the great projects this year. Our next general meeting will be at the Female Seminary – November 3th – 6:30 socializing the meeting will start at 7:00 pm. We don't have a program for November – we will discuss LWC going forward with a different structure --- bring your ideas and thoughts about why you joined the club and what you want to see in the future. Our December Meeting will be our holiday party at Nicole's Clubhouse-- See you at the November Meeting.

## **1st Vice President**

**Wishing all our lovely Ladies a very thankful and healthy Thanksgiving! We are all truly Blessed!**

## **2nd Vice President**

Ladies Time out this past Saturday, at Slow-Pour in Lawrenceville was a lot of fun. Nice music, Wrapped Wright food truck amazing and great fellowship with the ladies who attended. Thank you Marylouise for arranging this outing for our club.

Christmas Party on December 1 at 6pm in the Kensington Clubhouse located at Kenilworth Place, Snellville. We are going to do an Italian night. I will provide the plates, napkins, cutlery, wine glasses and a big pot of spaghetti. Be thinking of what you'd like to bring. Some suggestions were Italian salad, Antipasti tray, garlic bread, cannoli's or other Italian dessert. Be thinking of what you might want to bring. Frank Sinatra and Dean Martin music playing in the background. It will be Awesome!

January meeting will be a brainstorming and planning meeting for 2022. We will not be installing officers so be thinking of some awesome projects you would like to see the Lawrenceville Woman's Club involved in.

## Arts & Culture

Mary Louise Awana

Arts and Culture CSP continued our partnering with the Lawrenceville Arts Commission throughout October by working the Oktoberfest for 4.5 hours, Cheryl Shaw worked the Pawfest for several hours, and we are working the BooFest on Friday, October 29th at the Lawrenceville Lawn from 6:00 - 8:00PM. We will be helping BooFest guests paint rocks and will provide boo pops to each one. The boo pops were made earlier this month by Arts and Culture.

Come on down and join the fun with us. Come in costume or whatever you feel comfy in!

## Civic Engagement and Outreach Mary Sanders

### A MILLION THANKS

Thanks to all who supplied cards and/or signed cards to be sent to active and retired Military personnel. These cards have been sent to **A Million Thanks** and will be distributed by them.

### Honoring First Responders

We will be bringing “coffee and doughnuts” to the Lawrenceville Police and Fire Stations sometime in the middle of November. We will announce the date and time at the November General Meeting. Please join us!

## Environment Cheryl Shaw

### Recycling

In partnership with Gwinnett Clean and Beautiful, the County will celebrate America Recycles Day 2021 on Saturday, November 6, 9am-Noon, at Coolray Field. Items for recycle include paper shredding, electronics, tires, paint, clothing, and sneakers. Materials should be placed in disposable containers or boxes. \*Limits and charges apply to some items. Visit [www.gwinnettcg.org](http://www.gwinnettcg.org) for more information.

Beginning October 16, OneStop Norcross, 5030 Georgia Belle Court, began accepting glass bottles and jars. A clearly marked bin, located in the parking lot, accepts all colors, 24 hours a day, 7 days a week. All containers must be clean and empty.

### Gardens

Several LWC members (and family) visited Slow Pour Brewing Company for a Ladies' Time Out. We enjoyed the food, the music, and seeing their gardens by moonlight and tiki torches. LWC and the Lawrenceville Garden Club are partnering with Slow Pour's efforts to have Lawrenceville designated a Tree City by the National Arbor Foundation. All produce from the garden(s) is donated to the Lawrenceville Co-Op.

## 👉 Partnerships

LWC Environment is partnering with the Lawrenceville Garden Club on two projects for classes at future day camps (or by special registration) in the Rhodes Jordan Community Building (next to the swimming pool). Participants will (1) build bluebird houses—Big Thanks to Tommy Hallmark; (2) will make nesting material containers using suet cake holders. Nesting materials include pet hair, cattail fluff, small sticks, crushed leaves, twigs, grass clippings, string, yarn, and feathers.

🇺🇸 All National Parks will waive entrance fees on Monday, November 11, in recognition of Veterans Day. Visit [www.nps.gov](http://www.nps.gov) for more information.

\*Continue to save and bring to meetings: rinsed aluminum drink cans, pull tabs, used towels and blankets, used books (early readers & adults), and bird nesting material. Thanks for your help!
